Financial and Consumer Services Commission

NOTICE AND REQUEST FOR COMMENTS

Publication of the proposed Local Rule 81-510 *Self-Dealing* (the “**Proposed Rule**”).

Substance and Purpose

The purpose of the Proposed Rule is to provide market participants with guidance regarding the definition of certain terms used in Part 10 of the *Securities Act* SNB 2004 c. S-5.5 (the “*Act*”) relating to insider trading and self-dealing.

The Proposed Rule will define terms that are currently used in Part 10 of the *Act*. Such definitions include but are not limited to: “significant interest”, “investment” and “responsible person”. In addition, the Proposed Rule will also clarify exemptions from the definition of the term “significant interest”.

By adopting the Proposed Rule, New Brunswick’s approach to insider trading and self-dealing will be more consistent with the approach taken in most other Canadian jurisdictions, which will in turn eliminate potential confusion by market participants.

AVIS DE CONSULTATION ET DEMANDE DE COMMENTAIRES

Publication, aux fins de commentaires, du projet de Règle locale 81-510 sur les *transactions internes* (la « **règle proposée** »).

Contenu et objectifs

L’objet de la règle proposée est de fournir aux participants au marché des lignes directrices concernant la définition de certaines expressions utilisées dans la partie 10 de la *Loi sur les valeurs mobilières*, L.N.-B. 2004 ch. S-5.5 (la « *Loi* ») relatif aux opérations d’initié et aux transactions internes.

La règle proposée définira les expressions qui sont actuellement utilisées dans la partie 10 de la *Loi*. De telles définitions incluent, sans s’y limiter : « intérêt appréciable » ; « investissement » et « personne responsable ». En outre, la règle proposée clarifiera également les exceptions relatif à la définition de l’expression « intérêt appréciable ».

En adoptant la règle proposée, l’approche du Nouveau-Brunswick en matière de réglementation des opérations d’initié et des transactions internes sera plus cohérente avec l’approche adoptée dans la plupart des autres ressorts canadiens, ce qui éliminera à son tour la confusion potentielle chez les participants au marché.
