MINISTER’S DETERMINATION CONDITIONS OF APPROVAL

Pursuant to Regulation 87-83 under the Clean Environment Act

March 21, 2007

File Number: 4561-3-1100

1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
2. Commencement of this undertaking must occur within three years of the date of this Determination. Should commencement not be possible within this time period, the undertaking must be registered under the *Environmental Impact Assessment Regulation (87-83)* – Clean Environment Act again, unless otherwise stated by the Minister of Environment.
3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the EIA registration document (dated July 19, 2006) as well as to those from all subsequent correspondence and reports during the registration review. Additionally, the proponent shall submit a summary table detailing the status of each Condition listed in this Determination to the Director of the Project Assessment Branch every 6 months from the date of this Determination (i.e.: March 21, 2007) until such a time as the construction is complete and the Department of Environment is satisfied that all the conditions have been addressed.
4. An Approval to Construct and an Approval to Operate will be required from the Department of Environment for the proposed facility. For additional information please contact Mr. Tim LeBlanc, Stewardship Branch, at (506) 453-7945.
5. If it is suspected that remains of archaeological significance are discovered during construction, all activity shall be stopped near the find and the Project Executive, Archaeological Services Section of the Department of Wellness, Culture and Sport shall be contacted at (506) 453-2756.
