**MINISTER'S DETERMINATION
CONDITIONS OF APPROVAL**

Pursuant to Regulation 87-83 under the *Clean Environment Act*

October 25, 2019

File Number: 4561-3-1529

-
1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
 2. Commencement of this undertaking must occur within three years of the date of this Determination. Should commencement not be possible within this time period the undertaking must be registered under the *Environmental Impact Assessment Regulation (87-83) – Clean Environment Act* again, unless otherwise stated by the Minister of Environment and Local Government (DELG).
 3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the document entitled, "Environmental Impact Assessment New Brunswick – Department of Environment and Local Government (DELG) – written by Gmrioux - August 16, 2019", as well as all those identified in subsequent correspondence during the registration review. Additionally, the proponent shall submit a summary table detailing the status of each condition listed in this Determination to the Director of the Environmental Impact Assessment Branch of DELG every 6 months from the date of this Determination until such a time that all the Conditions have been met.
 4. The proponent may only import waste from Ontario, Quebec and Nova Scotia. The waste will be limited to beverage products (containers and liquids) such as pop, energy drink, juice and beer.
 5. In the event of the sale, lease, or any other conveyance or change of control of the project, or any portion thereof, the proponent must provide written acknowledgement from the lessee, controller or purchaser confirming that they will comply with the Conditions of this Determination to the Director, Environmental Impact Assessment Branch, DELG.
 6. The proponent shall ensure that any proposed project modifications or future expansions are submitted for review and approval to the Director of the Environmental Impact Assessment Branch, DELG, prior to implementing the changes.
 7. The proponent shall ensure that all developers, contractors and operators associated with the project comply with the above requirements.
